Building improvements!

As you will have seen we have been making improvements to the school building over the last 6 months. We will continue to evaluate the building and apply for more money to make further improvements to our school. The decking on the lower playground is nearing completion and will be great when we are using it. We have many more plans for the building and the pupils in the school council will be working with me to think of even more ideas.

 Name.....

Awards at Caedmon.

There were many awards given out to children on Friday and last week. We continue to use awards to build childrens' self esteem. Please see page three of this newsletter to see the names of the children who were recognised for their hard work at school. We also had our first prize draw for the newsletter competition. All children need to do is cut the bottom triangle off the last page of the newsletter to show it has been taken home and read by their parent/carer. Children then bring the triangle with their name on back into school and place it in the red box in the main entrance. This will mean they are ready for the next prize draw to win a £10 Eldon Square voucher! This weeks winner was Liam Davidson (Year 5). Hannah French was the winner of The Olympic Challenge! She wins a £10 sports voucher. Finally, the first winner of the attendance award for full attendance and no lateness to win cinema tickets was won by Aqsa (Year 1). Well done to all those children.

Website & Caedmon e-mail address.

I have changed the school letterhead today to include our school website and our school e-mail address. They are both working and viewed on a daily basis.

Halloween Disco.

The Halloween Disco will take place on Friday 24th October 2008. Tickets are on sale through a number of parents who are part of Friends of Caedmon and the school office.

To clarify times for the Discos they are as follows:

Nursery, Reception, Year 1, Year 2 = 4:00—5:30
Year 3, Year 4, Year 5, Year 6 = 6:00- 7:30

Raffle tickets are also on sale and can be obtained from any of the parents on Friends of Caedmon. Children must be picked up from both discos. They will not be allowed to go home alone. We would encourage parents to stay and also join in the fun!

Turkey!

We were successful during the summer holiday in our bid to the British Council to take part in a project where children in Year 6 will visit: Turkey, Spain and Czech Republic. Children from all of these countries will also be visiting us during the next year.

On Sunday 4 children: Leon Brown, Danny Davidson, Alex Batey and Nicole Wilson went to Turkey. They have been accompanied by some members of staff. They will return on Friday with lots of stories.

School Photos.

Mr. Soler has been to the developers regarding the photos from last year. We feel there has been a delay because of the timing of the photos being taken and OFSTED at the end of last year. Therefore, we are going to provide every child with a free portrait photo. Any extra orders or group shots will have to be ordered and paid for. Mr. Soler will be sending order forms home.

Yours faithfully
C Wisby
Head Teacher
