CAEDMON COMMUNITY PRIMARY SCHOOL

We will be running a health and fitness club starting on Friday 10th June for parents and children together. This is open to all parents.

A discussion started about Nurture group in the school. Parents felt it was a good idea and really works. They wanted clarification on how it worked. The following was explained. Some children who are new to the school will go onto nurture group, children who are feeling unwell or sad about something might also go into the group. There are also children who have made the wrong decisions and are in trouble.

A parent suggested that as a school we promote Nosene Head Lice treatment. It was said that this is very effective.

Parents also asked about Castle Points and how they operate at school. Mr Wisby to speak to staff about using them consistently.

Homework was discussed. Parents wanted more feedback on pupil's levels. Mr Wisby informed parents we are close to being able to send level sheets home. This will enable parents to be co-educators.

Coffee Morning was booked for Tuesday 12th July at 9:00. The theme being Food from around the World. Parents to be asked to bring food into school for children to try. Letter with more information to go home nearer the date.

School uniform was discussed. Are children allowed to wear shorts in the summer? The answer was yes. Can we start recycling uniform.

Date of next meeting:
Friday 24th June at 9:00 - 10:15.
