

Reception Class News

18/ 03/11

Miss Bradshaw
Mrs Tait
Miss Smith

What have we been learning this week?

This week we have been making 'Caterpillar Fruit Salad' to find out about different fruit. We had lots of fun tasting and smelling it! (See recipe below)

In maths we have been learning how to recognise coloured patterns and we even made some of our own.

We went on a mini beast hunt with Mrs Tait and found lots of creepy crawlies! We even had to look at some through a magnifying glass!

Next week we are going to be learning all about our families and what different jobs they do.

ZOO LAB

On Wednesday Zoo-Lab visited the school to show us some mini-beasts for Science Week!

We had lots of fun looking at the different creepy crawlies!

Raising Money for Comic Relief

The whole school have been raising money for Comic Relief.

Today was non- uniform day and we could get our faces painted for charity.

**RED
NOSE
DAY**

Very Hungry Caterpillar Fruit Salad

- 1 Apple
- 2 Pears
- 3 Plums
- 4 Strawberries
- 5 Oranges
- Bunch of Mint Leaves

Peel, pare, seed, hull and section each fruit. Cut into bite-sized pieces. Then put them all together in a big bowl and chill. Garnish each serving with a sprig of mint. Serve to a small group of friends, after reading

Homework Week Beginning 14/03/11

Next week we are going to be learning all about our family and other peoples families.

Can you find out who is in your family?

What are their jobs?

Can you bring in some photographs to show the rest of the class?

The next book we will be reading will be....

REMEMBER: Parents Evening is on...

Wednesday 23rd March 2011
