Items Discussed

- 1) Craft kits – children gave feedback about the craft kits they received before half term. Mixed response – many liked them but thought there is room for improvement. Feedback sent to Mrs Hooker.
- 2) Gateshead Riverside passport – chn given 'Adventure Pack'. Feedback welcome.
- 3) Children looked in suggestion boxes. Points raised as follows:
 - equipment on yard continues to be a problem (lack of). School council want to bring the baskets back – playground leaders would take responsibility for it. Mrs Carey to speak to Mr Rodger/Mrs Elliott about getting this organised. Equipment they'd like to see more of is tennis balls and rackets, ping pong balls, a cross bar in MUGA and an alternative rota for the MUGA between basketball and football. Basketballs are always flat. Neveah suggested setting an assembly to discuss rules.
 - Bean bags for breakfast club – chn felt more were needed
 - Wall in Y4/6 corridor is outdated. Chn want to update. Mrs Carey to speak to Mr Wisby
 - Clubs – science club and electricity club suggested Mrs Carey to speak to Mrs Hannon
